

1st Annual Lake Monroe Sailing Association Summer Sailstice 2008 Sail-A-Thon

June 21 & 22, 2008

The LMSA sail-a-thon is a fun and exciting activity for sailors of all ages who wish to give back and help out the next generation of sailors. All skippers and sailboats are welcome; skippers set desired goals based on boat, experience and desire. Drinks will be provided, and each sailor will receive a token of participation.

Our goal is to help the activities committee raise monies to fund on the water sailing events and promotional items for the youth sailing program. We hope that each crew will participate in the sail-a-thon to the best of its ability. If each sailing vessel raises \$50.00, we will achieve our goal. We're hoping to make this sail-a-thon the best ever, so the more contributions you raise, the more successful we'll be at achieving our goal. Thank you very much for your participation!
