JUNE 21st & 22nd

In Celebrating Summer Sailstice 2008

Summer Sailstice was founded in February 2001 by John Arndt, as the global, annual celebration of sailing held on the summer solstice. The annual Summer Sailstice sailing event has grown from 200 boats signed up in 2001 to well over 2,000 boats today with almost 10,000 sailors participating. In joining with The Ocean Conservancy, Summer Sailstice strives to inform and mobilize sailors, their families and communities to enjoy and conserve the beauty of the oceans and inland waterways, while raising awareness of human impacts on the fragile marine environment and wildlife.
