

January 30, 2019

Dear Supporting Partner,

The Lake Monroe Sailing Association (LMSA) is seeking valuable partners to assist in sponsoring our upcoming Ladies on the Lake Charity Regatta occurring on April 13-14, 2019. This year we have chosen The Lifeboat Project to be our sponsored charity for this regatta. The Lifeboat project is a 501(c)(3), offers the unprecedented Returning to Wholeness program for all survivors of human trafficking. This Returning to Wholeness Program includes, but is not limited to: counseling, healthcare, group counseling, job skills, life skills, career skills, and job placement internship programs. Their programs are unique in its application to providing comprehensive programs for survivors of human trafficking. The Lifeboat Project walks beside every survivor through the process of healing, growth, independence, and joyous living. All profits from this regatta will go directly to the Lifeboat project.

Accordingly, please review the associated rewards for a company's choice of varying levels of sponsorship:

<b>"Crew"</b>	Name on Sponsor Sheet Provided to all Participates	<b>up to \$50.00</b>
<b>"First Mate"</b>	Name on Sponsor Sheet as well as announced at all group meetings	<b>\$50 - \$250</b>
<b>"Captain"</b>	The above mentioned plus name of business listed on Sponsor Board	<b>\$251 - \$500</b>

Please know that we are also willing to accept your business card that can be scanned to display on the Sponsor Sheet, as well as Sponsor Board. The LMSA member to contact with those specifics and/or any questions is Laura Marriott. She can be reached at [laura.marriott.dar@gmail.com](mailto:laura.marriott.dar@gmail.com).

Thank you for your consideration to partner with the LMSA in supporting the tremendous work being done by the Lifeboat Project.

On behalf of the Lake Monroe Sailing Association, we want to thank you for your consideration and support!

*Laura Marriott*

Laura Marriott,  
Ladies on the Lake Co-Chairman
